

**Association  
of Consulting  
Foresters**

EDUCATED, EXPERIENCED,  
ETHICAL PROFESSIONALS

Whatever plans you have for  
your ranch, ACF members  
put your goals first. **ALWAYS.**

### An ACF consulting forester can benefit you and your ranch by:

- Development of a comprehensive conservation management plan to protect and enhance the ranch's setting, assets and aesthetics
- Timber sale preparation, timber stand improvement, insect and disease mitigation, and wildlife habitat enhancement management activities
- Hazardous fuel treatment for wildfire mitigation
- Creation and maintenance of road and trail infrastructure
- Grant acquisition and conservation easement establishment assistance

ACF members are the **gold standard** of forest consultants because they meet rigorous educational, experience and reference requirements as well as adhere to a Code of Ethics ensuring loyalty to landowners and their land.

Just like the **Dude Ranchers' Association**, ACF promotes the exchange of ideas and experiences in an effort to uphold the **highest quality of services** within the industry.
